

Small Groups were an integral part of the early church structure. They were small enough to allow individual members to minister to one another, use their spiritual gifts, and be disciplined in the teachings of Christ. In addition, they were vibrant and life-giving communities where evangelism could take place as unchurched people watched a loving and compassionate community in action. Small Groups not only built up the church, but were vehicles for reaching a lost world for Christ.

Promise Ministries is not a church with Small Groups, but a church OF Small Groups. Inside you will find a directory of the groups currently at Promise. Look for a day and time convenient for you and let God lead you in finding a community within a church.

*And let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another—and all the more as you see the Day approaching.”*

## **Promise Ministries Small Group Directory**

*“They devoted themselves to the apostles’ teaching and to the fellowship, to the breaking of bread and to prayer. ...They broke bread in their homes and ate together with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved.”*

*Acts 2:42, 46b-47*
